## Roddy Guerry Elected Freshman President

PRENTICE EASTERLING  
VICE PRESIDENT

On October 28, the Freshman class of Armstrong made nominations for class officers for the current year. Those elected to serve were the following: President, Roddy Guerry; Vice President, Prentice Easterling; Secretary, Harriet Sapp; and Treasurer, Suzanne Malone. Elected to serve as Student Senate representatives from the class were Ann Youngblood and Billy B. Beasley.

Roddy, our new president, is a science major and graduate of Savannah High School. While in high school, Roddy was president of the student council in his senior year and won second place in the State Science Fair.

Roddy was a member of the Presidents Club while at Savannah High and was a strong supporter of Gamma Hi-Y. A winner of the Lucas Memorial Scholarship for 1956-57, Roddy is highly respected by his fellow students.

Prentice Easterling, newly elected vice president, is an engineering major at Armstrong. Prentice was winner of the Latin award at Savannah High School and president of his home room. A member of Beta Club, Sigma Hi-Y, and DeMolay, he was awarded the Savannah Gas Company Scholarship for the current year. Prentice, whose hobbies are music and boating, was a captain in R.O.-T.C. while in high school.

Harriet Sapp, secretary of the Freshman class, is a Liberal Arts major at Armstrong. She was a member of the Beta Club at Savannah High School, and graduated fifteenth in her class of 452.

Harriet was also a member of the student council, Steering Committee, and Chairman of the Prophecy Committee. She also competed for the National Merit Award Scholarship.

Our new treasurer, Suzanne Malone, plans to be an elementary school teacher. A member of Beta Club, F.H.A., the music and drama clubs, Suzanne was very active in the ex-

Armstrong Debaters  
Win Third Prize

Two members of the debating team won third place at the All Georgia Debating Tournament held at Mercer University October 26 and 27. The team members were Harris Kandel and Patsy Nicholson who presented the negative side of the question; Resolved: that the United States should discontinue direct economic aid to foreign countries. Patsy also won a third place award as an individual debater.

The debating team is planning a tour of colleges in Florida and a trip to Emory in Atlanta. Any person interested in becoming a debater may contact Mr. Beecher, debating coach.

tracurricular program while in high school.

Ann Youngblood, one of the Senate representatives, would like to be a secretary or receptionist for a radio or T.V. company. Ann, whose hobbies are piano and swimming, was a member of the Glee Club and Dramatic Club at Savannah High School.

Billy B. Beasley, also a Student Senate representative, is a graduate of Commercial High School. President of his senior class, Billy was winner of the "Thom McAn Success Award" and was elected "boy most likely to succeed." A member of the Key Club and second honor graduate, Billy would like to become a stenographer.

With his election as Freshman class president, Roddy is automatically vice president of the Student Senate. It is anticipated that with such a fine roster of officers the present Freshman class will prove to be one of the best possible. Each of the people elected has leadership potential all his own and a background of outstanding school spirit.

As the largest student organization at Armstrong, the Freshman class holds much sway over the activities of the college; and it is the hope of this paper that it will have a very successful year.

REFRESHMENTS TO  
BE SERVED

Dear Fellow Students,

I have some outrageous red socks. Do you know what for? Yes, that's right, they are for Armstrong's Sock-Hop.

This is going to be the biggest, bestest hop ever. Do you know the reason why? Because you're going to make it that way.

We're going to begin coagulating around 8:30 p.m. and the plug will be pulled out at 11:30. We're going to have a real cool orchestra composed of all the top flight orchestra leaders—in other words a juke-box. Due to this fact I think that we will be able to please everyone—you can "rock and roll" with Presley or "swing and sway" with Sammy Kaye.

The hop is to be very informal. The girls are to wear sweaters, skirts, and socks. Decorate your socks to the best of your ability. A prize is to be given to the person who wears the best looking socks. Refreshments will also be served.

Lucy Trosdal, Dance Committee Chairman, has announced that the girls acting as chairmen of the various committees are as follows: Beverly Hursey, Decoration Committee; Harriet Sapp, Program Committee; Freddie Drexel, Publicity Committee; Linda Nease, Refreshment Committee; and Barbara Pounder, Clean-Up Committee.

We'll be looking for you November 10, at 8:30 in the auditorium at Jenkins Hall.

Yours truly,

A Fellow Classmate

P.S. I'll bet my socks are gonna be crazier than yours.

### Church Club News

The Presbyterians in Armstrong are organizing a Westminster Fellowship primarily for Presbyterians. All interested in this club are urged to join. Meetings were held Friday, October 19 for the Canterbury Club, the Newman Club and the Baptist Student Union.

The Canterbury Club elected officers at their meeting. They are as follows: President, Tony Cope; Vice President, and Program Chairman, Ranny Bradford; Secretary-Treasurer, Mardy Miller; Senate Representative, Linda Nease. The group will move to Christ Church and begin having Sunday night meetings, starting Sunday, November 4. They will begin at 6:00 p.m., and will last about one and one-half hours. Some very interesting programs are being planned on the sacraments of the church. It is urged that more people join this interesting group. The religious adviser is Reverend Criswald, Rector of the Church of the Apostles. The faculty adviser is Mr. John Dunn.

The Newman Club elected as their President, Catherine Cetti; Vice President, Gail Garwes; Secretary, Sue Rossiter; Treasurer and Senate Representative, Paula McKenzie. Father Paine emphasized the need for growth of knowledge of our faith. He then made a talk on the sanctity of marriage.

The Baptist Student Union elected their President, Carol Classcock, at their last meeting. The remainder of the officers were elected Friday. They are: First Vice President, Sylvia Barfield; Second Vice President, Calvin Cross; Secretary-Treasurer, Harriett Sapp; Pianists, Faye Anderson and Thelma Freeman. Plans were made to have several members attend the S.S.U. Convention, which will be held November 2-4 at Rock Eagle. The B.S.U. will be represented from the whole state. The theme for the convention will be "Christ, the Lord, My Lord."

### The Student Senate

by John Hopkins

The first of two Senate meetings called since our last issue was held on October 17. This was the first regular meeting of the school year. This meeting was attended by Mr. H. L. Bowyer, Jr., representative of the Armstrong Alumni Association, who talked with us about the annual Homecoming Dance. It was decided to hold the dance on December 20, at the General Oglethorpe Hotel. We will hear a lot more about this soon. A committee of three was appointed to serve with the Alumni. This committee includes Lucy Trosdal, Freddie Drexel, and Ray Kilpatrick. The Senators also elected Kathryn Cetti temporary secretary until the attendance reached a quorum and permanent officers could be elected.

The second Senate meeting was held on October 24. At this meeting Linda Nease was unanimously elected permanent secretary, and J. B. Goff was elected treasurer.

A quick rundown of the business of this meeting follows:

First, a roll was taken to help the president keep up with the attendance of the Senators. A motion was passed which stated that any Senator having more than one unexcused absence would be dropped from the Senate roll.

A discussion was held on the subject of Armstrong students being admitted to movies at student prices, but we had better save this news until something definite has been decided by the committee and the theater spokesmen. In the meantime, you are urged to talk it up and get a little interest aroused so that we can really get somewhere with this project.

And don't you clubs forget to fill out the required information card before you plan any party, dance or other activity. This is easily and quickly done in the publications office.

In the October issue of "Playboy Magazine," the most popular periodical on the college campuses of America today, ballots appeared for reader participation in "Playboy's" All-Star Jazz Poll, the winners of which will appear in the greatest jazz special of the year—the first national Playboy All-Star Jazz Concert. Also forthcoming will be an "LP" of the band's sessions. This is the largest popularity poll ever conducted in the jazz field.

A Nominating Board composed of jazz critics and representatives of the major recording companies has nominated the men in each instrument category that they consider to be the outstanding artists of the year. Also selected a leader (the man who has done the finest job of leading his own band during the past year), male and female vocalists, a vocal group that will sing with the band, and an instrumental combo to handle specialty numbers. The winners of this poll will be announced in the February issue of "Playboy."

Realizing that this is a matter of far more concern than the Suez issue, this space will be used for our selections in this poll.

As for the leader of our All-Stars we'll have to go along with the perennial giant, Stan "the Man" Kenton.

## Cast Is Announced For 'The Gorilla'

The cast for the next Masquer's production, "The Gorilla," was announced at a party held in the Green Room a couple of Saturday nights past. The Masquer's director, Mr. Ross C. Durfee planned the great moment in true dramatic fashion; at 10:00 p.m. on the dot an unusual calm settled over the Green Room as the announcement of the cast came over radio station WSGA. After the long-awaited news was out, the party resumed its normal uproar, congratulations in order, and a grand time was enjoyed by all.

Joyce Krenson takes the part of Alice, the ingenue. Playing opposite her is Hudson Ayers, as Marsden, the playwright. Stevens, the millionaire uncle, is played by Fred Lubs. Michael Poller is cast as Detective Garritty, and Ranny Bradford as Detective Mulligan. As Clytemnestra, the maid, will be Ann Younblood. Louise Cunningham is cast in the role of Ilka Simmons, news reporter. John Hopkins will play the stranger, James Kicklighter the doctor, and Ed Bates

the sailor. And last but certainly not least, will be Bruce Friddle as the Gorilla.

The play itself proves an attraction that should draw out even the most blase of theatre-goers. Its an exciting who-dun-it in three acts with more than just a smattering of comedy. Amusing scenes are the rule rather than the exception. Starting out immediately to capture wholehearted attention, the play buids up in suspense so as to place everyone on the edge of their seats. Its one you can't afford to miss.

Rehearsals for the play begin this week. "The Gorilla" will run on the nights of November 29, 30, and December 1 in the Armstrong Auditorium.

## Cheer Leaders Begin Practice

The cheer leaders, with Gene Pierce as captain, have been working constantly to reach their usual perfection as the basketball season at Armstrong approaches.

The members of the team for the current year are as follows: Linda Nease, who is the only returnee from the past year; Beverly Hursey, Freshman; Vicki Beall, Freshman; and Jane Lymerick, also a Freshman. The alternates will be Mardy Miller, a Sophomore student, and Harriet Sapp, a Freshman.

The cheer leaders are an essential part of the sports scene around Armstrong and deserve your enthusiastic support. What do you say we make some noise this year!

## SCOG'S SCOOPS

by "Scoop" Scoggin

Swish! and the Geechees hit the floor to start the 1956-57 season. My co-horts, "Flash" Spann and Beverly Hursey, and I have put our heads together and come up with a few personality sketches of the up and coming Geechees. Here is a portion of the present roster:

First we have the big gun from last year's Geechee attack, Bill (Bongo) Short. Short's only trouble is keeping his fingers out of the net, and big things are expected from him again this year.

Dick Adams, the mighty midget from 35th street east, has shown good potential thus far. "Mouse" is a product of the J.A.C. and is rated as a fast, agile guard.

Next we have a boy everyone knows. "Homer" Harritos, coming to us straight from the Acropolis, is a guard. When he isn't writing, Jimmy is a conscientious basketball player.

Following one great Scholar, we have another, Thor (Knowledge) Johansen. Thor adds that height and rebounding ability to the comparatively short Geechee squad.

A newcomer to Armstrong is Russ (Black Club) Williamson, from the marshes of Glynn. Russ, who played high school ball at Glynn Academy, is a forward with good potential.

That just about winds up our session of personality sketches except for our head manager, "Tape" Rawls. For those of you who don't know "Tape," he may be recognized by the ever-present scent of wint-o-green, which seems to linger about him.

Getting down to the serious business at hand, school spirit has long been lacking here at Armstrong; and it seems that with all the time and money spent on the athletic program, more interest could be shown by the student body. Several new teams have been added to the schedule and it should make for some very interesting scraps at the Hellenic Center.

Plans for night scrimages are presently being made. These scrimages will be open and all students are invited. Why not come out and get a pre-season look at the 1956-57 version of the Geechees?

## Strictly Co-ed

by Linda Nease

In the midst of "Hamlet," I am beckoned by the call of duty to sit down to my task as a female "Scoop" Scoggin."

On the agenda this week is the eternal call of the Intramurals. We still haven't enough girls to "man" the necessary four teams. We have three teams and need "new blood" for a fourth. We might call them the "Awful Ophelias." (P. Crockett will probably mutilate me).

The first volleyball game was lost by a forfeit (by the second largest team). The second game couldn't be played because there was only one team! If any flag-footballers are interested, we could use some more players.

The "rats" seem to be getting along all right during these trying times. They are even permitted to remove their beanies . . . for the short period that is necessary for the taking of the stately "Geechee" pictures. Just think, rats, it's already past mid-term. Your "time" is half over.

The cheer leaders have put in some hard practice lately. The basket ball season opens soon, and they need your support. Girls, drag along your dates and help support your '56-57 Geechee team.

Since "brevity is the soul of wit . . ." and I started out to be a Whit, I feel it is time that I should close. "Adieu, adieu! . . ."
